17th January 2007

Receipt No:1290

I herewith acknowledge receipt of payment for the **ABC in O&G** for the sum of £795.00 and am pleased to confirm that your place on this Course has now been officially reserved for the 12th & 16th February 2007. If you are forced to withdraw from this Course you will be offered a full refund unless you do so within 2 weeks of the date when you will be charged a £50.00 administrative fee.

All of our Courses are now held at the Royal College of Obstetricians & Gynaecologists in London. Directions and suggested accommodation are enclosed. Please note that **we do not arrange accommodation for you**. The course begins at 09.00 but you will need to register on the first day to receive your Course Book, name badge and Certificate of Attendance so please try to arrive earlier as this will ensure that we start promptly and therefore maximise the time available for learning. The College will be open from 08.00 and we will have a desk at the main reception as you enter.

May I take this opportunity to thank you on behalf of Teale Fenning Medical Education for your interest in our intensive revision courses. I am sure that you will find the course enlightening, educational and most importantly worthwhile and good value for money. Should you need further information please do not hesitate to contact me and I will do my utmost to help you in any way I can.

Yours sincerely
